**Welcome Letter**

Welcome to the 2010 Golden Retriever Club of America All Breed Spring Field Trial. This event is hosted by the Golden Retriever Club of Greater St. Louis. A special thanks to the Missouri Department of Conservation and the staff at the August A. Busch Memorial Conservation Area for the use of the facilities and grounds. We also thank the judges, workers and club members. We also thank the many members of other local retriever clubs whose dedication and help we rely on to help in so many ways. Thank you!

Please help us cooperate with the Department of Conservation by NOT exercising dogs within 100 yards of any building, by restricting parking to only one side of roadways, and by not driving on grass or in fields unless instructed by marshals.

Per Section 5.26 of the Wildlife Code of the State of Missouri...the sponsoring organization shall issue identification bearing the field trial permit number to all persons without a valid hunting permit, who enter dogs in a trial. The permit number for this trial is 2008-10.

Please note that this trial will be held on Easter weekend. For this reason we will be starting both the Open and Amateur stakes on Friday and will not have a qualifying stake.

Good luck to all participants!
